OTHER:

Today is the final day for the DSS Christmas Classroom Door Decorating Contest! Your Block B door must be completed by 3pm.

DSS is organizing another "30 Hour Famine" fundraising event on February 8th. This event was very successful last year and raised over \$5000 for development projects in Uganda and Nicaragua. There will be a very important sign-up and information meeting Thursday, **December 13th**, at lunch in the Guitar Room. Hope to see everyone there!!

Student Washrooms: A number of our students and staff have respiratory concerns or a sensitivity towards scents and the scent and smoke caused from vaping is having an impact on their health. Students are reminded that Vaping is considered a tobacco product and is not to be consumed by any student under the age of 18 on school grounds or inside the school. To support this initiative, certain student washroom doors will remain open to discourage students from vaping on school grounds. If you have any concerns or questions please see an administrator in the school office.

Messages in the office for the following students:
