Today, many students at Delta Secondary School are taking part in the 30 Hour Famine. They are doing this to raise money for the sponsorship of a Kindergarten Classroom in Tekera, Uganda and for a scholarship program for needy children in Nicaragua. In many parts of the world, it is not always possible for children to receive a good education or, even to go to school at all. The IFA and Human Rights Club would like to send out a HUGE thank you to all students and staff taking part in this event. The funds raised today will change the lives of many children, and their families, in Nicaragua and Uganda.

Nick Trowborst please come to the office.
