### SPORTS:

Congratulations to the Grade 8 and Junior Boys volleyball teams for their victories over Sands last night. The grade 8 boys got off to a great start winning the first two sets before Sands came roaring back to win the third and fourth. The fifth saw the Pacers go on an early serving run that put them out in front and they never looked back. The Junior boys were slightly more convincing as they took down the Scorpions 3-1 in convincing fashion. The boys are reminded to check in with their coaches for the upcoming practice schedule.
