

ANNOUNCEMENTS FOR WEDNESDAY SEP 26, 2018

Before we begin, we would like to acknowledge and honor the Musqueam and Tsawwassen First Nations' territory on which our school is built.

On September 30th, we recognize Orange Shirt Day in memory of Phyllis Webstad, a girl who went out to buy clothes for her stay at Residential School and picked out an orange shirt to wear, it was taken away by nuns after she arrived. Later, she saw that same shirt worn by a girl in the nearby town. This day is meant to commemorate thousands of similar stories.

Due to the 30th being a Sunday, we ask that all students and staff wear orange shirts on Friday, September 28th. The 28th will also host a bake sale and information station in the foyer at lunch to support residential school survivors.
