DRY GRAD DATE

May 31, 2019 11:00 PM - 4:30 AM

Fundraising / Treasurer Update

For your Dry Grad Treasurer and Fundraising Chair, it's all about numbers:

60% - In school, that's a pass. For the Dry Grad Committee it was one of our major milestones. Early on in the process of planning for the 2019 Dry Grad we set a Fundraising goal of \$50,000.

The fundraising Committee went right to it and started planning. I'm happy to report we are now just over \$30,000 into our goal!

55% - The amount of time that has passed since we began fundraising in September.

Since then, we've held meat draws, raffles and painting parties and sold chocolates, samosas and tickets to raise the funds needed to put on this amazing event for our kids.

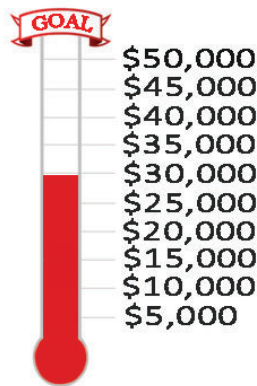

75% - The next major milestone that you can help us achieve. Each month moving forward in the newsletter and on our website you will see the fundraising Thermometer. \$37,500 is our 75% milestone and just by getting your registration forms and contribution in you can help us reach that goal.

100% - Participation in the event. Our goal is that every Grad that wants to, can attend and have a great party to celebrate this major milestone in their lives.

Thanks to the generous support from everyone so far, we are well on our way to a great event.

Shari Barr, Fundraising Chair

Thank you Shari! I give all of the volunteers, who have been working tirelessly behind the scenes, **105%** for effort!!
