GRADE 9 'TAKE OUR KIDS TO WORK' day - Wednesday, November 6th, 2019-
Delta School District recognizes the value of Grade 9 parents choosing to organize their child's day for 'Take Our Kids to Work' on November 6, 2019. Further details of this national annual event may be found at <http://www.thelearningpartnership.ca/what-we-do/student-programs/take-our-kids-to-work>. As parent/guardian(s), if you are organizing with your employer for the day, please inform your school of your child's planned absence by completing and returning the notification form that will be available shortly. **FORMS DUE NOVEMBER 5 at the office.**

Career 9 education is a curricular requirement for all grade 9 students at Delta Secondary. My name is Mr. Proctor and I am the Career 9 Coordinator/Teacher for the 2019/2020 school year. Your child will be invited to complete course work on a google classroom site using their Delta Learns account.

GOOGLE CLASSROOM PASSWORD CAREER EDUCATION 9: qmunivd

On Tuesday October 22 the entire grade 9 class will attend an assembly (genesis theatre) during their flex program block to participate in an introduction to work safe expectations from a Work Safe BC safety officer in preparation to spend their day on your or another jobsite on Take Our Kids to Work day Wednesday November 6. Thursday October 24 there will be a follow up information session during flex time in the theater to prepare for the expectations of Career Education 9.

Thank you for supporting our students by signing their parent permission forms that will follow and can be found on your student's google classroom and will be distributed in their grade 9 English block Oct 17/18. Delta Secondary is a proud supporter of the national program Take Our Kids to Work Day and this year is the 25th anniversary of the program, it is an expectation that your child participates on a job/career site that day.

Work places that students can visit for the day; ask a relative, neighbour, or family friend to take you to work for the day. Ask another parent who is taking their child to work if you can tag along. Contact a local business or potential employer and ask if you can job shadow. Shadow a university or post-secondary student through their classes for the day.

Kind Regards,

Mr. Joe Proctor
Career 9 Coordinator
Delta Secondary
