

Locker Clean Out and Pick Up

Delta Secondary has developed a deliberate plan to return the items that students left in their lockers prior to spring break. This will be students' only chance to access these items and we strongly recommend that all students come to collect locker items during their assigned time on May 26th, 27th or 28th, depending on which zone the student locker was in (Please See Below). After this initial opportunity, further opportunities to retrieve locker contents will only occur at a convenient times for school staff. These opportunities may be unpredictable and could be weeks or months from now. We have organized this process, but we know that it will take time for each student to have their items delivered to them. We remind everyone in advance to please be patient during this process. All staff will be working hard to complete this task in as timely a manner as possible.

For the safety of all, we ask that you strictly follow the current social distancing guidelines and procedures we are now all aware of. Staff have worked diligently, following recommended safety protocols, to empty and sort through the lockers. The contents of each locker have been sorted, with food and obvious trash being discarded; the remaining personal items have been bagged and labelled. School textbooks and library books have been pulled and relocated to the library for processing. Students will not need any physical copies of textbooks, moving forward, as teachers have been able to provide digital access to these.

Students or parents will report to the southwest side of the west gym (towards Genesis Theatre), on either May 26th, 27th, or 28th, based on the zone the student's locker was located in. **Students or parents will not be allowed to enter the building.**

Report on foot to the southwest exterior door of the West Gym (located on 45th Avenue, closest to Genesis Theatre). Please remember to keep your distance if waiting in line. Identification will be required to pick up locker bags. We highly recommend that you also bring you own pen for signing. Staff will collect locker bags with the student's Locker Number and Name on it. All safety protocols will remain in place including physical distancing.
