Dear Pacer Families,

Today we celebrated the many accomplishments, achievements and successes of our students at our Awards Assemblies! Over the past three years we've seen our students demonstrate resiliency, flexibility, strength and courage through the pandemic. Today was a privilege and joyous event as I watched our students cross the stage in front of their parents and peers, receiving recognition for their achievements and excellence in academics, athletics, fine arts, merit, and service. Our award winners represent the many attributes we strive to instill in all our students as DSS PACERS – *they actively **Participate**, strive to **Achieve** in all areas, show **Care** in their work and behaviour, **Explore** new ideas and opportunities, and are always **Respectful**.* Congratulations to all of this year's award winners!

This Sunday, June 19 is Father's Day. It is a day to celebrate fathers around the world and recognize them for their influence and role in helping raise children. I hope you will take some time this weekend to recognize your father or the father figure(s) in your life.

In addition to this letter, information regarding general school information can be found on our **school website**: <https://de.deltasd.bc.ca/> . Please see the important information items below.

Important Dates:

June 24	Final Day of Instruction
June 27 – 28	Semester 2 "I-Days"
June 29	Yearbook Distribution & Report Cards Published on MyED/Connect
June 30	Administration Day

School Fees

Before the end of June, I would encourage families to see if they have any outstanding balances for their students' fees. You can check balances and make payments on Parent Connect. Another option for payment is to write a cheque to the school or use a debit card at the school. Clearing up school fees is an important thing to take care of by the end of the year. *If students have bought yearbooks and they have outstanding fees, we will not release the yearbook until those fees are taken care of.* If there are any financial hardship requests, please contact me directly and we can see if we can help come to a solution that works for all of us.

Sincerely,

John Pavão,
Principal, Grade 12

Mike Annandale,
Vice Principal, Grade 9 & 11

Maggie Callander,
Vice Principal, Grade 8 & 10
