Instructions

Attention: Grade 8's of 2021-2022

- Please choose your courses carefully. The timetable is built based on your choices now. In the fall, there may not be space to allow you to change your mind, and inadequate demand now could result in a course you want being cancelled if you don't indicate your desire to take it now.
- Students entering grade 8 next year will be expected to take the following 7 courses:
 - English Language Arts 8
 - Social Studies 8
 - Science 8
 - Mathematics 8
 - Physical & Health Education 8
 - French 8
 - ADST Explorations 8
- Students must also choose **ONE (1) Elective course** (default is Art Education Explorations 8).
- All grade 8 students are required to have a complete timetable of 8 courses.
- **Outside the Timetable Electives**
Please choose these during your course planning. Outside the timetable electives are taken in addition to the required eight (8) courses.
- **Academies**
Only if interested, please choose these during your course planning and register on the academies website.

8. Scroll down to the portion of the page where you can select your requests. Your required courses are already selected for you. If you would like to take Band instead of Arts Exploration, click by the Explorations box and change the selection. You can also choose from the Outside the Timetable or Academies boxes (only if interested).
