

# Course Selection Sheet: Grade 9 - 2022-2023

- **Please choose your courses carefully.** The timetable is built based on your choices now. In the fall, there may not be space to allow you to change your mind, and inadequate demand now could result in a course you want being cancelled if you don't indicate your desire to take it now.
- Students entering grade 9 next year will be expected to take the following required courses:
  - **English Language Arts 9**
  - **Mathematics 9**
  - **Physical & Health Education 9**
  - **Science 9**
  - **Social Studies 9**
  - **Career Education 9 (off timetable / online course)**
- Students must also choose **3 Elective courses and 3 alternates.** Choose your electives in order of preference with your #1 choice the first course selected etc.
- All grade 9 students are required to have a complete timetable of 9 courses (6 required, 3 elective).
- **Outside the Timetable Electives**  
Please choose these during your course planning. Outside the timetable electives are taken in addition to the required nine (9) courses.
- **Summer School:**  
If students are planning to take a course in summer school, please include which course you are planning to take in the counsellor memo at the bottom.
