summer research program
for Indigenous youth

Are you in Grade 10, 11, or 12?

Want to learn what it's like to be a scientist or biomedical engineer?

Come to ICORD this summer!

We offer paid 6-week mentorship opportunities to Indigenous youth, with small research projects, online learning modules, and lab field trips. At the end of the term, you have a chance to present your research at a fun symposium for the research community, friends and family!

Apply now! All applicants are invited for in-person tours of ICORD and SBME research labs.

Mari Tech Conference

Thursday, April 20, 2023

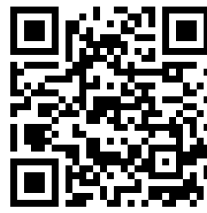

Time: 9:15 AM – 1:15 PM

Vancouver Convention Center

Only 12 high school students can be accepted. They will learn about exciting **careers and technology in the marine engineering field**. The opportunity to get these young people on an actual **Coast Guard vessel** is an added bonus!

To learn more visit:

<https://mari-techconference.ca/>

MARI TECH
CONFERENCE & EXHIBITION

Students will explore career and post-secondary resources through the 10-question daily quiz activity. During the competition dates, the points students, parents and teachers earn from quizzing all contribute to the schools ranking. Students' correct answers will also unlock bursaries on the student leaderboard. **THIS IS A FREE EVENT!**

Prizes: There is a total of \$32,500 in cash prizes to be won by students and schools. Students earn up to a \$200 bursary by achieving a threshold of correct answers until the \$22,500 prize pot is depleted. A total of 22 top ranking schools on our four leaderboards will receive a piece of the \$10,000 prize pot.

Let's Talk Careers!

Canada's Most Informed Schools and Students Competition

April 17 to May 26, 2023

Important - Limited access to deltalearns email and account - Graduating Students

Hello Grade 12 deltalearns.ca Google WorkSpace Account user,

As you may, or may not be aware, deltalearns Google accounts issued by the Delta School district remain active only for the duration during which students are enrolled within the Delta School District.

Once a student leaves the Delta School District for any reason, including transferring to another district, or graduation, the student's deltalearns Google account is suspended six weeks following the last day of enrollment. At the conclusion of the six weeks, users will no longer have access to their deltalearns.ca Google account, including Google Drive and Gmail.

We are informing you of this now, as you may be using your @deltalearns.ca G-mail address to correspond with post secondary institutions, applications for scholarships, employers, on-line accounts or others. We strongly recommend that an alternate email address be used for correspondence that will extend beyond graduation, or withdrawal from the district, so as to avoid any interruption in communication.

Users will also lose access to files in their Drive. These [instructions](#) can be used to transfer files from your deltalearns Google My Drive to a personal Google account. We recommend you begin this process in Mid June.

THE SKY'S NO LIMIT – GIRLS FLY 2

April 29-30

Abbotsford International Airport

Meet the crews and explore hands-on activities and displays from the Canadian and U.S. Military, Coast Guard, RCMP, CBSA, various municipal police/fire, search & rescue and others in Aviation, Aerospace, Marine & Defence!

Click [here](#) for more info!
