No time to volunteer? Donate prizes!

We get it, not everyone has time to volunteer, but you can still help!

You or your business can also support us with a prize donation or financial contribution. Prizes can include gift cards, sports or event tickets, wine or beer (as prizes for adult events only), or anything new and unopened that would make a great prize.

Dry Grad 2023 Registration Information

As a reminder....The 2023 Dry Grad is an event which provides students with a safe, drug and alcohol-free environment to celebrate their graduation. It is a fully supervised fun event, sponsored and fundraised by the parents. A place where the grads can party with their friends, win excellent prizes, be entertained and participate in a fun filled, action packed night of celebration.

In order to make this event successful, we need parent volunteers. Please visit website page:
www.dssdrygrad.com/volunteer

Here you will find the listed volunteer sign ups.
Please follow instructions and sign up where you can help out.

The cost of hosting the day's events is approx. \$200-250 per student. Minimum amount of \$125 of that is raised through your contribution. This contribution will include a ticket to the event and the T-shirt noted on the registration form. The minimum contribution is \$125. However, if you are able to support the grad class in a more significant way please choose an alternative amount. The additional funds will be made up by fundraising throughout the school year. This does not include what it takes to run the event through volunteers or the many prizes that get donated by our very generous businesses and friends in the community.

Bills for this event are already starting to come, so we require your fees as soon as possible to help us get started. As a special incentive, we have an early bird prize draw for everyone who pays prior to January 13, 2023!
