

# Course Selection Sheet: Grade 10 - 2024-2025

- **Please choose your courses carefully.** The timetable is built based on your choices now. In the fall, there may not be space to allow you to change your mind, and inadequate demand now could result in a course you want being cancelled if you don't indicate your desire to take it now.
- Students entering grade 10 next year will be required to choose an option for the following required course areas:
  - an **English 10 Combination**
  - **Physical Education 10**

  - **Science 10**
  - **Social Studies 10**
  - **Career & Life Education 10**
- Students must also choose **2 Elective courses and 2 alternates.** Choose your electives in order of preference with your #1 choice the first course selected etc.
- All grade 10 students are required to have a complete timetable of 8 courses (6 required, 2 electives).
- **Outside the Timetable Electives**  
Please choose these during your course planning. Outside the timetable electives are taken in addition to the required eight (8) courses.
