

GRADE 10 COURSE SELECTION: 2025-26

Please choose your courses carefully

- **The timetable is built based on your choices now.** In the fall, there may not be space to allow you to change your mind. Courses will be cancelled, and sections will be decided based on what is chosen now.
- **Pick alternates for every course you choose.** There are times when there are course conflicts, particularly among single section courses. If there is a conflict, it is important for us to know what a second choice would be.
- **All students are expected to have a full course load that includes:**
 - Science 10
 - Social Studies 10
 - An English 10 Combination
 - A Mathematics 10
 - Career Education 10
 - A Physical and Health Education 10 – PHE 10 Diamond Sports requires an additional application.
 - Two Elective courses
- **X-Block Courses:** Outside the timetable electives are taken in addition to the required eight courses.
- **Summer School:** If students are planning to take a course in the summer, please include which course you are planning to take in the counsellor memo at the bottom.
