

GRADE 11 COURSE SELECTION: 2025-26

Please choose your courses carefully

- **The timetable is built based on your choices now.** In the fall, there may not be space to allow you to change your mind. Courses will be cancelled, and sections will be decided based on what is chosen now.
- **Pick alternates for every course you choose.** There are times when there are course conflicts, particularly among single section courses. If there is a conflict, it is important for us to know what a second choice would be.
- **All students are expected to have a full course load that includes:**
 - An English 11
 - A Mathematics 11 (Precalculus 12 can be chosen in conjunction with Pre-Calculus 11)
 - A Science 11 or 12 (more than one can be selected)
 - A Social Studies 11 or 12 (more than one can be selected)
 - Electives to bring your course total up to 8 required courses
- **X-Block Courses:** Outside the timetable electives can be selected during course planning.
- **Summer School:** If students are planning to take a course in the summer, please include which course you are planning to take in the counsellor memo at the bottom.
