# Land Acknowledgment

I would like to acknowledge the traditional territory of the Tsawwassen and Musqueam First Nations and of all the Hun'qumi'num speaking people who have been stewards of this land since time immemorial. I would also like to offer my respect to all the Elders who have gone before us and to the Elders and First Nation people who are with us today.

## GRADE 12 COURSE SELECTION: 2025-26

### Please choose your courses carefully

- The timetable is built based on your choices now. In the fall, there may not be space to allow you to change your mind. Courses will be cancelled, and sections will be decided based on what is chosen now.
- Pick direct alternates for every course you choose. There are times when there are course conflicts, particularly among single section courses. If there is a conflict, it is important for us to know what a second choice would be. To pick a direct alternative there is a dropdown menu to the side of your selection.
- All students are expected to have a full course load that includes:
  - English Studies 12 or English First Peoples 12 (required for graduation)
  - Career Life Connections and Capstone 12
  - Electives to bring your course total up to 8 required courses. Please select direct alternatives for every course you choose. *Work Experience is taken in addition to 8 required courses.*
- X-Block Courses: Outside the timetable electives can be selected during course planning.
- Summer School: If students are planning to take a course in the summer, please include which course you are planning to take in the counsellor memo at the bottom.

The screenshot shows the MyEd course selection interface. At the top, there are navigation buttons for 'Options', 'Requests', and 'Help', along with a search bar for 'Search on Credits'. Below this, the 'Instructions' section features the PACERS DELTA logo and a heading 'Attention: Grade 12's of 2025-2026'. The instructions list several key points: students must choose courses carefully, Career Life Connections & Capstone is preselected, and students must also choose 4-7 Elective courses. Below the instructions is a table for 'Primary requests' with columns for 'Subject area', 'School/Course + Credits', and 'School/Course + Description'. The table contains four rows: 'Required Career Ed' (pre-selected), 'Required English', 'Electives in Academics', and 'Electives'. A 'Notes for counsellor' text area is located below the table, and a 'Post' button is at the bottom right. Red boxes and arrows highlight these key elements, and the 'Notes for counsellor' and 'Post' buttons are circled in red.

### Instructions

**Attention: Grade 12's of 2025-2026**

- Please choose your courses carefully. The timetable is built based on your choices now. In the fut, there may not be space to allow you to change your mind, and inadequate demand now could result in a course you want being cancelled if you don't indicate your desire to take it now.
- Students entering grade 12 next year will be required to choose an option for the following required course areas:
  - Career Life Connections & Capstone
  - An English 12
- Students must also choose 4-7 Elective courses and direct alternatives.
- Upon completion of your Career Life Connections 12 required course, grade 12 students may have an Academic Study Block, but this must be done through consultation with your school counsellor.
- Outside the Timetable Electives:  
Please choose these during your course planning.
- Academics:  
Only if interested, please choose these during your course planning and register on the academics website.
- Summer School:  
If students are planning to take a course in summer school, please include which course you are planning to take in the optional entry at the bottom.

## Selecting Electives

Please select the electives that you want to take. Please select direct alternatives for each selection. Please prioritize to the right

Choose electives so that you bring your selective courses up to a total of 8 courses.

The screenshot displays the MyEd course selection interface. At the top, there is a header with the text: "Please choose electives to bring your total course selection to 8 courses. Work experience is taken in addition to 8 courses. You must select direct alternatives for each course chosen." Below this is a table of elective courses. The table has columns for "Select", "Course Number", "Course Description", "Academic level", "Credit", "Prerequisite", and "Status". The "Select" column contains radio buttons, with the one for course MSL-10AP selected. The "Course Number" column lists various course numbers like MCOMF2, MEMP-12, MSL-12, MSL-10AP, MPOD12, MTEXT-12, MACTV12, MACTV12PL, MACTV12BB, and MACTV12BL. # KWANTLEN POLYTECHNIC UNIVERSITY

## Faculty of Academic & Career Preparation

Our aim is for you to perform at the very best of your ability. The Faculty of Academic & Career Preparation helps you find your best path, meet career goals, and achieve success. Experienced, supportive advisors can assist you in narrowing down your choices, upgrading courses, furthering your studies, and preparing you for work in your field of choice.

[+DETAILS](#)

## Faculty of Arts

Other degrees prepare you for the known; an arts degree prepares you for the unknown. Whether you aspire to be a teacher, lawyer, musician, psychologist, or painter, a well-rounded liberal arts education will give you a solid foundation in creative and critical thinking for life. Choose from 21 departments and disciplines to develop a deep and holistic understanding of our world today—from anthropology, political science, and criminology to fine arts, English, and philosophy.

[+DETAILS](#)

## Faculty of Health

British Columbia's healthcare and wellness sector is growing quickly, as is the need for trained professionals and specialists. If you thrive on helping others and want to make your mark in this dynamic field, our Faculty of Health has several unique and in-demand programs for certificate, diploma, degree, and post-baccalaureate degree programs, including nursing, psychiatric nursing, traditional Chinese medicine, and health care services.

[+DETAILS](#)

## Faculty of Science and Horticulture

If science fuels your fire, you'll find your discipline in the Faculty of Science and Horticulture, where thought meets action. Delivered in a theory-plus-applied-learning approach by academics dedicated to their fields, traditional and applied undergraduate programs include biology, chemistry, environmental protection, mathematics, computer-aided design and drafting, physics, agriculture, horticulture, and brewing and brewery operations—the first program of its kind in British Columbia with a 4,000-square-foot lab where students master both craft and science.

[+DETAILS](#)

## Faculty of Trades and Technology

Do you love fixing things and working outside? Crafting art out of wood, landscaping, or repairing appliances? The Faculty of Trades & Technology will give you the specialized training and foundational knowledge you need to put your talent to work in a successful career. KPU is the place where thought meets action, so all our trade programs and courses integrate theory with practical hands-on training.

[+DETAILS](#)

## Melville School of Business

You want to lead a successful business, launch a breakthrough innovation, even change the way we do business in the 21st century. KPU's Melville School of Business gives you the real-world skills, practical know-how, and professional connections you need to make it happen. Our approach is internationally recognized because it's well rounded and grounded in modern principles—where thought meets action.
