## Instructions

### Attention: Grade 10's of 2025-2026

- **Please choose your courses carefully.** The timetable is built based on your choices now. In the fall, there may not be space to allow you to change your mind, and inadequate demand now could result in:
  - An English 10 Combination and a direct alternative.
  - Social Studies 10
  - Science 10
  - A Physical Education 10
  - A Mathematics 10
  - Career & Life Education 10
- Students must also choose **2 Elective courses and 2 direct alternates that are different from the chosen alternates.**
- All grade 10 students are required to have a complete timetable of 8 courses ( 6 required, 2 elective).
- **Outside the Timetable Electives**  
Please choose these during your course planning. Outside the timetable electives are taken in addition to the required eight (8) courses.
- **Summer School:**  
If students are planning to take a course in summer school, please include which course you are planning to take in the [counsellor memo](#) at the bottom.
