Instructions

Attention: Grade 12's of 2025-2026

- **Please choose your courses carefully.** The timetable is built based on your choices now. In the fall, there may not be space to allow you to change your mind, and inadequate demand now could result in a course you want being cancelled if you don't indicate your desire to take it now.
- Students entering grade 12 next year will be required to choose an option for the following required course areas:
 - Career Life Connection & Capstone
 - An English 12
- Students must also choose 6-7 Elective courses and direct alternatives.
- Upon completion of your Career Life Connections 12 required course, grade 12 students may have an Academic Study block, but this must be done through consultation with your school counsellor.
- **Outside the Timetable Electives**
Please choose these during your course planning.
- **Academies**
Only if interested, please choose these during your course planning and register on the academies website.
- **Summer School:**
If students are planning to take a course in summer school, please include which course you are planning to take in the [counsellor memo](#) at the bottom.

Write any notes about summer school in the notes section to the counsellor

If you typically take a strategies block, please indicate which elective you would like to be removed from if you are getting a strategies block next year.

If you have any questions, please see your counsellor.

You must complete course selection by March 7.
